Dear friends and colleagues,

It is our privilege and great pleasure to invite you on behalf of organising institutions – the **Institute of Agrophysics of the Polish Academy of Sciences, Lublin, Poland, together with Foundation of the Polish Academy of Sciences, Hungarian University of Agriculture and Life Sciences, Gödöllő, Hungary, Czech University of Life Sciences, Prague, Czech Republic, Slovak University of Agriculture in Nitra, Slovak Republic** and **Institut Teknologi Nasional Bandung, Indonesia** – to participate in the 23rd International Workshop for Young Scientists "BioPhys Spring 2024" to be held in Lublin on **23rd – 24th May 2024**.

The workshop is oriented on the deeper insight into the physical processes occurring in biological, agricultural and food systems. The workshop combines two basic tasks of international meeting: exchange of professional experience and integration of young people from different countries. We cordially invite young scientists to participate in the BPS 2024 Workshop and to present results of your research in application of physical methods to agriculture, biology and/or life sciences. **The workshop is organised as an open English spoken event without any fee.** Abstracts of contributions will be published in the Book of Abstracts of the BPS 2024 Workshop.

Artur Nosalewicz
Chairman of the Organising Committee
